March 2011 Orlando, Florida

A MOMENT FORHOT LINE – GROUP SERVICES ????

Are you new to A.A. or been around a long time and still wonder

“ What does Group Services do? “

“What is the HOTLINE?”

From the Constitution and By Laws publication as amended 9-28, 2008

Group Services - These are our TRUSTED SERVENTS – it is an unpaid couple of people who perform the following tasks:

- ◆ They perform all duties necessary to insure that the Hotline is answered.
- ◆ Publish an updated meeting guide, at least quarterly.
- ◆ Provide the same meeting guide information for inclusion on the INTER-GROUP website.
- ◆ Maintain a list of 12 step volunteers.
- ◆ Record and maintain a schedule of any meeting changes throughout the service area.

Ok so now that you know the basics here are some questions I would like to pose.

When would I like the voice of A.A. to be available?

When did I or someone I know need A.A.?

The voice Of A.A. when

- ◆ The court tells me I have to go to meetings to keep my license, or to get my license back.
- ◆ The voice in my head says I am losing my mind and another drink will not fix it.
- ◆ When I've lost my job, my family, my car, my friend, my boyfriend/girlfriend, and yes even when I've lost my meeting list!
- ◆ It's 3 am and my hands won't stop shaking.
- ◆ I'm too ashamed to talk to my family about my drinking, and the fact that I cannot “just Stop “.

- ◆ When the instructor tells me it's a part of my training to be effective in my field.
- ◆ When it's New Years Eve and I don't want to drink.
- ◆ When it's Tuesday, or Sunday and I can't stop shaking when trying to quit drinking.
- ◆ I'm out of town and want or NEED to find a meeting.
- ◆ When the bars have closed, and I am alone and know of no one to talk to about my need to drink.
- ◆ And when someone in my life drinks too much and I only have this number left to call.

In my heart ~ I ALWAYS WANT THE HAND OF A.A. TO BE THERE and for that I AM responsible today.

What the hot line does is our most important function.

– remembering our primary purpose is to stay sober and to help other alcoholics to achieve sobriety.

I am grateful to this program for it has given me life, I have real relationships with REAL people in this program and I consider it an honor to give back. No other thing can move me as fast as to be present and available to help another human being. As someone once was there for me, I want to be there for others.

My gratitude to those that have and are currently answering that phone, at 9 AM,

3PM, and 2:30 AM and every minute in between.

There are varying shifts available. Maybe you could fit one of them.

Training (free I might add) is available, you need only ask.

It is not an easy task, or a light commitment. If we all take on a small part we ARE a part of a GREATER good.

Please support the Program and assist Group Services. Volunteer to be a part of OUR solution. The rewards are priceless.

Step Three

Made a decision to turn our will and our lives over to the care of God as we understood Him

Tradition Three

The only requirement for AA membership is a desire to stop drinking

Concept Three

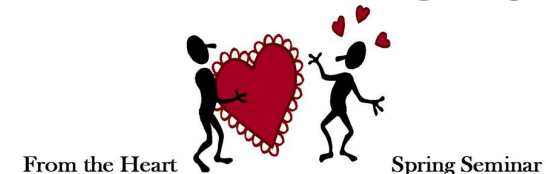

To insure effective leadership, we should endow each element of A.A.— the Conference, the General Service Board and its service corporations, staffs, committees, and executives - with a traditional “Right of Decision.
